Preparation

- **Training**

- Guide to Scouting
 - The purpose of the Guide to Safe Scouting is to prepare members of the Boy Scouts of America to conduct Scouting activities in a safe and prudent manner. The policies and guidelines have been established because of the real need to protect members from known hazards that have been identified through 100 years of experience
 - Download at <http://www.scouting.org/sitecore/content/Home/HealthandSafety/GSS/toc.aspx>
- Youth Protection
- Basic Adult Leader Outdoor Orientation (BALOO)
 - Ever pack should have at least one adult who has completed this training. It is designed for parents and others who are interested in learning how to have a better outdoor experience with Cub Scout-age youth and their families.
 - Live Class by Council (See Resource Guide at <http://www.pacsky.org/>)

Preparation

- **Tour Plan**

- Tour Plans establish health and safety standards for units while they are traveling, they help Scout leaders plan their outings and keep them safe and fun.
- A tour plan must be submitted two weeks in advance of the planned trip.
